

BOĞAZIÇI UNIVERSITY

PRE - UNIVERSITY SUMMER SCHOOL

June 30 - July 18 2014

Give Yourself a Head Start for The Future

Program Description

Boğaziçi University Lifelong Learning Center is pleased to offer Pre-University Summer School for high school students. The students will get the chance to explore potential majors and careers and the opportunity to expand their studies with university courses taken in an intensive yet supportive university environment.

The Pre-University Summer School Program includes two courses to be chosen from different courses, career seminars, movie discussion series and city tours.
