

BOĞAZIÇI UNIVERSITY

ADMISSION OF INTERNATIONAL STUDENTS TO UNDERGRADUATE DEGREE PROGRAMS

Information concerning institutions of higher education that accept international students and their quotas, based on Admission Requirements of Foreign Students to Undergraduate Programs which the Higher Education Supervisory Board determined in their meetings of 21.01.2010, 18.02.2010 and 17.03.2010, is to be found in the Student Guide for Foreign Student Admissions. (www.osym.gov.tr)
The Guide for Foreign Students for Higher Education Programs in Turkey)

On condition that applicants fulfill the requirements for student admissions determined by the Senate of Boğaziçi University and approved by the Council of Higher Education (to be found on www.yok.gov.tr);

General Conditions:

International students are admitted to the institutions of higher education in Turkey on condition that applicants fulfill the requirements for student admission, determined by the relevant institution of higher education and approved by the Council of Higher Education.

The applications of

- a) Foreign students who are either high school graduates or are studying their last year in high school,
- b) Students with dual nationalities who abandoned their Turkish or TRNC citizenship and who completed their entire high school education abroad
will be accepted.

The applications of

- a) Turkish citizens
- b) TRNC citizens
- c) Students with dual nationalities one of which is Turkish or TRNC,
- d) Students with dual nationalities who abandoned their Turkish or TRNC citizenship and who have completed their entire high school education either in Turkey or TRNC,
- e) Students with dual nationalities who abandoned either their Turkish or TRNC citizenship and who graduated from the Embassy schools in Turkey
- f) Students expelled from an institutions of higher education in Turkey due to disciplinary action
will not be accepted.

As of 2010, among various international university entry exams, only **Scholastic Aptitude Test** (SAT) scores will be accepted for the admission of international students to the undergraduate degree programs of our University.

In order to apply, students are expected to receive a total score of 1250 out of 1600 from the “math” and “critical reading” sections of SAT Reasoning Test, with a minimum score of 680 out of 800 from the “math” section.

Evaluation of applications and placement of applicants are under the discretion of Boğaziçi University. Boğaziçi University may or may not fill its quotas for international students. Fulfillment of application requirements does not guarantee placement in an undergraduate degree program.
